Activities of BGIT in 2015-16

KSHITIJ

BGIT celebrates its annual cultural and sports event called "KSHITIJ". "KSHITIJ" is organized by BGIT to kindle and rejuvenate the creative instincts of the students. "KSHITIJ" is a platform for all the students to portray their talents in various fields of fine arts like Dance, Drama, Singing, Mehendi, Rangoli, Debate, Ad-Mad Show, One Minute Show, Dumb Charades, Antakshari, Cartoon Sketching, Essay writing in Hindi, English and Marathi, Love Letter Writing as well as, in various sports like Cricket, Football, Carom, Chess, Counterstrike, Treasure Hunt etc. Network Gaming was introduced as a new event in 2006 and is very popular ever since. The institute is also a member of the IEDSSA. (Inter Engg Diploma Students Sports Association)

Swachh Bharat Abhiyan

Mahatma Gandhi communicated a quintessential message to the nation through his efforts to educate people around him about cleanliness. He wished to see a “Clean India” where people work hand in hand to make the country clean. To work seriously towards this vision of Gandhiji, Prime Minister Shri Narendra Modi launched the Swachh Bharat Abhiyaan on October 2, 2015 and asked people from all walks of life to help in successful implementation of this mission.

In response to the call given by the Hon’ble prime Minister Shri Narendra Modi, the Swachh Bharat Abhiyan was launched at BGIT by the an enthusiastic bunch of students and teachers .

ThinkQuest-2016

Babasaheb Gawde Institute of Technology had organized the “*Thinkquest*” – state level Inter Polytechnic Project Competition & paper presentation competition on 27th February 2016. The Think Quest Competition is open to all students of Polytechnics across Maharashtra. The objective of this venture is to arouse the latent instinct of creativity and innovation of budding technocrats by offering them the appropriate launch pad. “*ThinkQuest*” aims to promote this facet by inviting participants to explore topics, collectively to achieve goals and develop interesting hardware and software that add meaningful content to today’s technology. BGIT feels immense pleasure in announcing the organization of “*Thinkquest-2016* paper presentation competition” in association with MSBTE, TCS-iON & CSI. The objective of this event is to provide the building engineers, academicians, research fellows, professionals & students suitable platform to realize their potential and give their imagination a tangible shape.

Activities of BGIT in 2015-16

Industrial Visit

In order to enhance industry interaction BGIT organizes 'Industrial visits' regularly. The students are taken around the industry premises of reputed firms where they get direct glimpse of process of production of a variety of equipments, machinery etc.

Industrial visit of CM6G & CO6G students at United Telecom, GOA

Industrial visit of EJ4G, CM4G & CO4G students at RR Kabel & Nipra packaging, Silvassa

CSI-BGIT Student Branch

The C.S.I. Student Branch of Babasaheb Gawde Institute of Technology. Formed in 2015, CSI-BGIT is an altruistic society in college initiating workshops, events and seminars to explore the cornucopia of information other than the regular curriculum offered by the university. We bring together and incorporate various aspects of technical and non-technical education, number of seminars and workshops are conducted by professionals imparting knowledge to the students of the college.

We at CSI-BGIT aim at exploring the summit within every individual so that they can realize their dreams in engineering.

The saga of this institute is one of continuous progress in all spheres of academic activities in general and quality education in particular. The spectacular success story of the students in the area of final board examination in all branches year after year bears ample evidence to our claims. Upper most in the mind of the staff and the management is to transform an individual student into a mature individual, who has knowledge and, is multifaceted with all moral and ethical qualities. We leave no stone unturned to achieve this goal.

CSI Bgit Student Branch Inauguration, 24th July 2015

Secretary M.S.B.T.E or his Nominee	

“ Maratha Mandir’s

Babasaheb Gawde Institute of Technology”

Maratha Mandir - a charitable institution was established in 1945 by a few men of vision who perceived that the forthcoming Independence by itself would not bring back the glorious past of India, with over 80% of its populace living in rural areas without education. They recognized the need of the hour and setup strong institution to educate the populace, to make them aware of the rights as well as what they can be and what they can do for the nation. It was thus decided that the institution of Maratha Mandir would be open to everyone irrespective of his or her religion, caste, and language. The founders named this institution as “Maratha Mandir” the word “Maratha” to mean all those who consider Maharashtra as their domicile and the word “Mandir” to signify the purity in human life.

BABASAHEB GAWDE INSTITUTE OF TECHNOLOGY was founded in 1997 with two branches and within a short span of a DECADE it has grown in leaps and bounds. At present the institute offers the following courses.

- Computer Technology (Intake 60)
- Computer Engineering (Intake 60)
- Electronics & Telecommunication (Intake 120)

Maratha Mandir’s
